The voice of faith working for our community of Burnley

Interfaith Week Inter Faith Week

11-18 November 2018

After last year's Interfaith Week the Prime Minister Theresa May, said:

"Inter Faith Week 2017 was an inspiring effort across all neighbourhoods and faiths across the United Kingdom, in building understanding, tolerance and a sense of community. These sentiments are so important as we build a country where everyone has the chance to succeed and where no one suffers discrimination because of their background, ethnicity, religion or belief."

BBB has decided not to arrange a Schools and Colleges RE Showcase this year, unless someone in a school or Faith Group is willing to organise something either in the town or a school.

It could be a whole school doing an RE showcase with each class putting on a display of their RE work. Parents could be invited and perhaps another school could see the students work.

You might do the same with class assemblies.

Support for BBB's Showcase from schools, teachers, clergy, the public has declined in the last year or two and we haven't enough helpers' o do it this year.

Why not do something and BBB will try and support you.

Just ring or contact any of the people who work for, and support BBB or look at <https://www.interfaithweek.org>
