Any other information you would like included to describe your group:

Churches Together in Leyland (CTL) is a group of 9 churches with a focus on outreach in Leyland, through the Food Bank, Furniture Scheme, Credit Union and in Africa supporting Tool for Self Reliance. We work with local charities and businesses and also raise the profile of CTL through local press releases and being involved in South Ribble street festivals. We are currently working together as representatives to encourage us to be more pro-active in our own churches and to be more effective together.
